Selling Your Home

Are you thinking of selling your park model? You have a couple of options. You can list your home through the resort by contacting our full time professional salesman, Rob. If you choose to list with Rob, your home will be featured on the Desert Shadows website and will be on the list the office gives to anyone who is inquiring about moving into our resort. Rob will show your home, be the point of contact between buyer and seller and do all necessary paperwork.

Your other option is to list your home as "For Sale by Owner". If this option works better for you, please stop by the front office first. We can help make sure you have all the paperwork necessary for quick approval.
